Re: FOIA Request

Dear Mr. Gregg:

This will acknowledge receipt of your inquiries regarding a “red flag” law in Delaware:

- How many individuals have had firearms seized since this law went into effect?
- How many firearms were seized per person?
- Who reported the individual as potentially dangerous? Family member or LEO?

In response to our inquiry as to the law to which you referred, you clarified on February 13, 2019 that your questions refer to House Substitute 1 to House Bill 222 passed by the 149th General Assembly.

Please note that FOIA does not require a public body to respond to questions. To the extent any records reflecting the data you seek exist, the Delaware Department of Justice does not have them as there is no role for our agency under that law. You may wish to contact the individual Delaware police agencies.

The Delaware Attorney General’s Office has fully evaluated this matter, and this response is deemed a final determination of your records request by the Chief Deputy Attorney General or his designee. Your administrative remedy to petition the Chief Deputy Attorney General pursuant to 29 Del. C. § 10005(b) is therefore exhausted as of the date on this letter. As time limitations apply, you may wish to review your rights and obligations under the Delaware Freedom of Information Act statute at 29 Del C. §§ 10001 – 10007 and other relevant authority promptly with your legal counsel, if you have chosen to retain counsel.

Our office now considers this matter closed.

Very truly yours,

/s/ Kim Siegel
